## CARTOONS

This week the Diocesan Press Service introduces a new graphics service: cartoons. It is our plan to offer editors (DP mailing list) approximately two cartoons per month. These will be both humorous and editorial in nature.

We will be sharing the talents of two priests of the Episcopal Church. The Rev. Edward D. Leche is vicar of San Juan Islands Mission, Friday Harbor, Wash., Diocese of Olympia. The Rev. Frederick A. Pope is rector of St. Stephen's Church, Ferguson, Mo., Diocese of Missouri.

The two cartoons (#80370/2 and #80370/3) by Fred Pope enclosed in this mailing incorporate the captions in the cartoons themselves. The caption for the cartoon by Ted Leche (#80370/1) is: "How are your medical, dental, maternity, housing, pension and vacation benefits?"
